Response to comments

Dear [Redacted]

Thank you for taking the time to attend the meeting and submit your comments relative to the IOAP projects. Your comment is summarized below along with MSD's response. Your comment form is attached for reference.

Your comment requested that the Clifton Heights Neighborhood Association be involved in the further development of the storage basin at Mellwood Avenue off Brownsboro Road. MSD is committed to work with potentially impacted stakeholders at all our project locations, and will include the Clifton Heights Association in discussions relative to projects in the Clifton Heights area. You are encouraged to stay connected with MSD through future IOAP Public Input meetings to be sure that your concerns are heard.

This letter will be posted on MSD's Project WIN web page at the link:

Sincerely,

Steve Emly, PE  
Interim Director of Engineering
