

# NO DISCHARGE CERTIFICATION

KPDES NO. KY004226	COUNTY Jefferson
FACILITY NAME Chenoweth Run Water Quality Treatment Center	
Associated DSMRE No.(s) or Oil & Gas Registration No.(s) if applicable	

On the back of this sheet is a list of wastewater sources often overlooked as requiring a Kentucky Pollutant Discharge Elimination System (KPDES) permit. Please review this list to determine if a KPDES permit is required. If a KPDES permit is no longer required because the facility no longer discharges to waters of the Commonwealth or is approved for an alternate means of wastewater disposal, complete the information requested below.

Date facility ceased discharge (approximate) 9/6/12

Current means of wastewater treatment and disposal (e.g., discharge to another wastewater collection system, land application with no point source discharge, etc.) Plant flow was diverted to Floyds Fork WQTC.

If discharge is to another wastewater collection system, indicate the name of the system. Floyds Fork WQTC.

For the following means of inactivation attach a copy of the requested document.

- Surface mining operations - a copy of the final bond release
- Oil and gas operations - a copy of the UIC permit, TOS approval, etc.
- Septic tank and holding tank installations - approval from the local health department

*I certify that I am familiar with the operation of this facility and to the best of my knowledge this facility no longer discharges pollutants to waters of the Commonwealth, will not discharge process wastewater in the future, and the information provided is true, complete, and accurate. This certification must be signed as follows:*

1. For a corporation, by a principal executive officer of at least the level of vice president.
2. For partnership or sole proprietorship, by a general partner or the proprietor.
3. For a municipality, by either a principal executive officer or ranking elected official.

Upon receipt and verification of this certification, your KPDES permit will be inactivated.
