Subject: Bullitt Co Sewer District, November DMR's

Dear Ms. Dennis:

On behalf of the Bullitt County Sewer District (BCSD), which dissolved on December 1, 2021, when Louisville MSD took ownership. I will be submitting the following plants Discharge Monitoring Reports for the reporting period of November 1 through November 30, 2021. The submittal of the DMR's is being completed in good faith effort to keep the regulatory reports current and up to date with the Division of water.

Please understand that during this monitoring period no one at Louisville MSD had any control over these plants, performed any operational activities or performed any of the regulated discharge sampling. BCSD employees were primarily responsible for operational control during this reporting period. In addition Beckmar Environmental Laboratory completed the regulatory field sampling and entered the data into Net DMR.
