

Hi Ladies!

May we please ask a huge favor?

- You may not realize that flushing tampons, pad, wipes, and other feminine hygiene products really messes up the plumbing and causes all kinds of problems for our sewer system.
- Please take a quick moment to discard these items in the trash can instead.
- Remember the **THREE Ps** of what's OK to flush:
Pees & Poos & Paper

Really appreciate your help in avoiding Potty Fouls!
