

# WE Want YOU To SHARE Your THOUGHTS!

MSD is excited to announce the next sewer overflow abatement project review and input public meeting. The meeting will begin with formal presentations on this topic:

- Proposed IOAP project modifications, amendments, justification and level of control analysis
- Prospect area small treatment plant eliminations

Following the formal presentations, MSD staff will be available to discuss property individual issues and/or concerns with other sewer overflow abatement projects currently in planning, design, construction and drainage.

MSD is holding these meetings to keep you informed. We are seeking public input from you so that these specific projects and property decisions can reflect concerns of the people that are directly impacted. MSD encourages your participation so that we can work together to create a clean, green, growing community.

**WHERE:** Harrods Creek Fire Department  
8905 US Hwy. 42  
Prospect, KY 40059

**WHEN:** Thursday, May 17, 2012  
6:30 p.m. – 8:30 p.m.  
Formal presentations begin at 6:30 p.m.

Although MSD encourages your attendance, questions and comments may also be submitted until Friday, June 15, 2012, via email at [commentsIOAP@msdlouky.org](mailto:commentsIOAP@msdlouky.org) or in hard copy addressed to:
