Subject: Integrated Overflow Abatement Plan (IOAP)
Public Input Meeting September 27, 2011
Response to comments

Dear [REDACTED]:

Thank you for taking the time to attend the meeting and submit your comments relative to I-64 & Grinstead Drive storage basin project. Your comment is summarized below, and your comment form is attached for reference.

Comment – Concerned about losing the wooded area in the vicinity of the proposed basin and also about impacts to the bicycle path.

Response to comment - MSD received several comments on the proposed location of this underground storage basin. The exact size and subsequent location of this basin have not been finalized. The revised I-64 & Grinstead Drive basin projected size and cost will be presented at the next Public Input Meeting scheduled for Tuesday, January 24, 2012. MSD invites you to attend this meeting which will be held at the Kentuckiana Girl Scouts Headquarters on Lexington Road at 6:30 pm.

This letter will be posted on MSD's Project WIN web page at the link www.msdlouky.org/projectwin.

Sincerely,

W. Brian Bingham
Regulatory Services Director
